ROCHESTER CANOE CLUB DUES NOTICE - 2010

At the January, 2010 meeting, the Board of Governors passed a motion for the dues to be increased and most fees to remain stable. The increase to dues is approximately 9% for Regular Members, 4% for Life and Under 30 Members, and approximately 8% for the Crew Fee. Note: All dues and fees include 8% sales tax.

Please complete this Dues Notice and return it with a check made payable to "Rochester Canoe Club" before May 1, 2010. All late receipts will be assessed a 10% late fee which should be included in your payment. If you do not include it in this year's payment, it will be automatically added to next year's Dues Notice.

******NOTE: Any handwritten fees that are on this notice are in addition to those fees for which you indicate. If you feel these are in error, please call Kate to discuss at 473 -9346.******
